Advertisements for such bids shall be published for two consecutive weeks in the official organ of Pickens County. The need for such bids may be dispensed with by the board of commissioners if it decides that an emergency exists which will not permit a delay.

#### **SECTION 2-13.**

571 reviewed and adopted or amended by the board of commissioners prior to the beginning of  
572 the new fiscal year to which it applies, which budget, when so adopted or amended by the  
573 board of commissioners, shall constitute the board's appropriation of all funds for such year.  
574 The budget so adopted may be revised during the year only by formal action of the board of  
575 commissioners in a regular meeting, and no increase shall be made therein without provision  
576 also being made for financing same. The proposed budget submitted by the chairperson shall  
577 be accompanied by a report containing information and data relating to the financial affairs  
578 of the county pertinent to arriving at and establishing the annual budget. A copy of the  
579 budget and of each revision or amendment to same shall be transmitted by the chairperson  
580 to the grand jury of the Superior Court of Pickens County within ten days from the time such  
581 budget or amendment thereof is adopted by the board of commissioners. The board of  
582 commissioners may from time to time, upon a majority vote thereof, change the ending and

583 beginning date of the fiscal year for the county or may operate on a calendar basis; provided,  
584 however, that in the event of such change, the budget shall be submitted at least two months  
585 prior to the beginning date of the next fiscal year or January 1, whichever shall apply, and  
586 shall be adopted at least one month prior to said beginning date. The procedures for budget  
587 preparation, submission to the governing authority, review by the governing authority, public

598 of each fiscal year employ a certified public accountant for the making of an annual  
599 continuous audit of county finances and financial records. The accountant so employed shall  
600 be paid out of county funds and shall perform a complete audit of the financial records of the  
601 county for the preceding year, pointing out any irregularities found to exist, and reporting the  
602 results of such audit to the board of commissioners. The same person or firm shall not  
603 perform such audit for more than four consecutive annual periods. Each annual report  
604 submitted to the board of commissioners shall be made available for public inspection, as are
